Old Business:

1. None

New Business:

1. The SD Link is still down at Murdo. We can reach stations on the other side of the break by using SSB. Harry is looking at using the Remote Base to make that connection and is documenting what we have available on our Remote Base and how it is put together.
2. The question of having a meal after the Auction in February was brought up. If so what do we want to do and where do we want to have it? The discussion was tabled until a future meeting.
3. Don (KØDAJ) will check into what the organizers of the Endurance Run want from the Black Hills club. He will also attempt to get a list of checkpoints they will be manning to determine if we can provide communications from those locations. He will also be contacting the Northern Hills ARC to see how we could pool our efforts to assist in the 24 hour plus race.

A motion was made by Rich (WØCOV) and a second by Terry (ADØHL) to adjourn. The motion passed and the meeting adjourned at 7:48 PM.

Bob (KFØAM) presented a program on Using the Service Monitor.
