3. There will be a special event station at the clubhouse from noon on 3 July to noon on 4 July. The call sign for this event will be W0I.
4. Information from Matt Holder, that outdoor testing could be properly proctored as long as the 6 feet social distance is maintained. Chris Jaques will contact Harry Martens.
5. Ryan Lindblom discussed if anyone wants to volunteer for the net on Tuesdays and Thursdays at 7:00pm, to let him know.

6. Mike Moore recommended that the club holds the next two meetings at the clubhouse and then for the September meeting, hold it as usual at the Pizza Ranch. The club can run the GoTo Meeting from the clubhouse in case anyone feels that they need to stay home.
7. Our ham radio club has an application for membership for Andy Pattanyus. Betty Smith made a motion to approve Andy's membership application; none opposed.
