

Directions to Harrison VFD

From Rapid City, take SD 79 south. Continue south past Maverick Junction where the road becomes US 385. When the road meets the T intersection at US 20 in Nebraska, turn right, toward Crawford. Go about 46 miles west to Harrison. On entering town, turn left on Grace Street. The fire department is a couple of blocks to the south on the east side of the street. If you come to the junction with NE 29 you've gone about 3 blocks too far west.
