

TRI-STATE EMERGENCY WEATHER NET SCRIPT

This is KG0GG, my name is Jerry and this is the Tri-State Emergency Weather Net. This net meets every evening at 9:00 PM MT, and at times of weather emergency. This net is a service of ARES, Amateur Radio Emergency Service. The purpose of the net is the exchange of weather and road information, and to pass formal and informal traffic.

We welcome all licensed Amateurs. As you check in, please say if you do have traffic ***(including items to sell, trade or purchase)***. If you do not have traffic, please say only your call sign.

Does any station have emergency or time sensitive traffic?

This is KG0GG and the Tri-State Emergency Weather Net. **(ID every 10 minutes or less)**

We now will take check-ins alphabetically according to the first letter of the suffix of your call.

Any stations ABC/DEF; ALPHA – FOXTROT and relays

Any stations GHI/JKL; GOLF – LIMA and relays

Any stations MNO/PQR; MIKE – ROMEO and relays

Any stations STU/VWX/YZ; SIERRA – ZULU and relays

Any late or missed check-ins A-Alpha through Z-Zulu please come now.

This is KG0GG and the Tri-State Emergency Weather Net. **(ID every 10 minutes or less)**

We will now take traffic starting with:

Starting with Weather, then items to sell, trade or purchase.

Any items to sell, trade or purchase now. Just give the item you want to sell, trade or purchase, your phone number/email and you can discuss further details with anyone interested after the net.

Are there any reports I missed, late check-ins or relays, please come now?

For additional net information check out the Radio Club home pages at:

<http://www.northernhillsarc.org> or <http://www.w0blk.com>

I want to thank everybody for checking in and we'll look forward to hearing you tomorrow evening at 9:00 PM, or earlier if conditions threaten. KG0GG and the net are clear, 73 and good night.
